

HOOP FACTORY

Hoop Factory Camps and Program Planning Document

GENERAL STATEMENT: Creating safe and enjoyable place for community youth to be engaged in sports on campus. COVID-19 safety procedures have been created to ensure fair and consistent processes are established to support employees and community members to engage in sports camps at Hoop Factory.

GUIDELINES:

Symptoms- Self Monitor

- All patrons using the Recreation Facility will be asked to check in at the reception desk upon entry to the facility
- Staff will be educated on a rapid response plan for those who show symptoms while in the facility.
- All Staff will complete the Hoop Factory assessment tool prior coming on site / instructing a session each day.
- Head coaches will be on site during all camps to monitor the camps
- A daily record of camp participants will be kept and forwarded to the athletic director prior to the last day of camps.

Physical Distancing/PPE

- Maintain physical distance of 2 meters when possible. It is understood that there will be occasions where the social distancing will not be possible.
- Coaches coaching indoor camps will be required to wear masks. Coaches coaching outdoor camps will be required to wear masks where social distancing is not possible.
- A maximum of 30 participants including sport camp participants and coaches will be allowed per camps that take place indoors
- Participants guardians will be required to sign a waiver prior to the start of the camp
- A maximum of 50 participants including sport camp participants and coaches will be allowed for camps that take place outdoors
- All camps will follow distancing guidelines as set out by Saskatchewan Health and the Provincial Sport Organization that the camp is associated with.
- Internal doors will be propped open to allow minimum touch areas
- Changerooms /bathrooms will be made available, but the shower and locker areas will be cordoned off. Patrons will be asked to arrive dressed for their camp session.
- Camp participants will enter through the gymnasium entrance and will stay in the gymnasium area for the duration of the camp.
- Parents/ Guardians will not be allowed inside the College before, during, or after camps
- Water bottle fill stations will be available (Access to communal water fountains will not be allowed).
- If first aid is required to be given the patient will be given a mask to wear before treatment and the individual treating will wear a mask and gloves. Gloves will be disposed of after treatment and the employee is to perform hand hygiene.
- Contactless forms of payment will be encouraged

Conduct

- Patrons will be encouraged to bring their own equipment that is in personal in nature to the facility i.e. (shin pads, water bottles, running shoes etc. and are not to share personal equipment with others). Equipment loaned to patrons (i.e. basketball, soccer balls, volleyballs) for use will be disinfected and left to dry at the end of each session.

Cleaning

- Camp participants will be required to sanitize/ wash their hands before entering the gymnasium and before leaving the facility are required to sanitize / wash their hands prior to and after accessing the facility
- Coaching staff will be required to clean all equipment used after each session.
- Wash hands often if possible or use hand sanitizer frequently
- Every effort will be made to reduce the use of pens and handing out of paper
- Magazines newspapers will be removed from the recreation area.

Signage

- Hoop Factory signage will be posted throughout athletics center promoting social distancing

Complete October 5, 2020.
